

GOVERNMENT OF TELANGANA
TELANGANA REAL ESTATE REGULATORY AUTHORITY
HYDERABAD

Circular No: 3806/ TG RERA/2025.

Date:22/10/2025

Subject: Importance of Proper Disclosure and Certification of Report on *Means of Finance (RMoF)* for Project Execution and Completion - Instructions to Promoters and Chartered Accountants-Reg

1. Background

The Authority has observed that in several ongoing and registered projects, delays in project execution and delivery are primarily attributable to liquidity crunch, improper financial planning, and absence of contingency strategies by promoters. Hence, a well-prepared RMoF is critical to ensure uninterrupted construction and timely completion of the real estate project.

In exercise of the powers conferred under Section 37 of the *Real Estate (Regulation and Development) Act, 2016* read with Rule 14 of the Telangana Real Estate (Regulation and Development) Rules, 2017, the Authority has decided to issue Circular to emphasize the importance of proper assessment, declaration, and certification of the Means of Finance (RMoF) at the time of registration and during project monitoring.

2. Importance of RMoF in Project Execution

The *Report on Means of Finance (RMoF)* is a key disclosure document forming the financial foundation of the project and must demonstrate a realistic and sustainable financial plan. The RMoF ensures that the promoter has adequate liquidity and a clear financing roadmap to honour commitments made to allottees and statutory authorities.

In view of the above, the Authority instruct all the Developers/Promoters to submit certificate on Means of Finance as per revised Form 3 at the time of registration of the Project duly certified by the Chartered Accountant in practise.

It should consist of:

(a) Estimated Cash Outflows

- Land Cost payments shall correspond to the terms of *Development Agreement / Sale Deed*.

- Development Cost estimation shall be based on construction schedule, bill of quantities, and resource planning for each block and phase.
- Interest and Borrowed Fund Repayments must be aligned with the approved borrowing plan and institutional loan agreements.
- Other Costs, such as marketing, administrative, and advertisement expenditure.

(b) Estimated Cash Inflows

- Promoter's Capital Contribution shall be supported by financial capacity documents such as IT returns, Reserves & surplus, and Bankable assets.
- Receipts from Allottees shall be based on a realistic quarterly marketing and sales plan consistent with project construction stages.
- Institutional Loans shall be disclosed with sanctioned amounts, repayment terms, and collateral details, duly verified by the Chartered Accountant.
- Other Borrowings, including unsecured loans from friends, relatives, or group entities, must be supported with past financial records and repayment timelines.

(c). Ensuring Liquidity and Financial Discipline

- The *Means of Finance Plan* shall remain cash-positive for every quarter throughout the project period to avoid disruption in construction.
- The Authority directs all promoters and CAs to prepare the RMoF with adequate contingency and liquidity buffer, considering statutory payments, land dues, and construction obligations.
- Therefore, submission of a comprehensive RMoF is not only a regulatory requirement under Section 4(2)(l)(D) of the Act but also a risk-mitigation mechanism for ensuring smooth execution and delivery by the project end date.

(d). Legal Basis and Compliance Requirement

- As per Section 4(2)(l)(D) of the RE(R&D) Act 2016, every promoter shall provide an estimate of project costs, including land, construction, and other related expenses, duly certified by a Chartered Accountant.

- Under Section 11(1)(b) and (c) of RE(R&D) Act 2016, the promoter is responsible for ensuring that project funds are utilized only for the purpose for which they are raised and that project progress is commensurate with financial inflows.
- The Authority, under Section 34(f), is mandated to ensure that promoters adhere to approved plans and timelines by maintaining proper financial discipline.
- Any misrepresentation or incorrect certification in RMoF or Form-3 shall be liable for action under Section 61 and 63 of the, RE(R&D) Act 2016.

3. Directions to Promoters and Chartered Accountants

- All new applications for project registration must include a properly structured *Means of Finance (RMoF)* certified by a Chartered Accountant in practise as per revised Form 3.
- For ongoing and registered projects, promoters shall review their existing RMoF and ensure alignment with actual financial progress and update the same as per the revised Form 3 every Quarter as per the Section 11 of RE (R&D) Act,2016.
- The Chartered Accountants certifying RMoF must exercise due diligence and ensure compliance with the *ICAI Guidance Note on Real Estate Transactions* and TG RERA Circulars issued from time to time.

4. Conclusion

The Authority reiterates that a realistic and compliant Means of Finance is a cornerstone for project success and a safeguard for allottees. Promoters are therefore advised to plan their financial resources judiciously and ensure timely infusion of capital to meet their obligations in a time-bound manner and mandatorily submit the Report of Means of finance (RMoF) as per Revised Form 3 at the time of registration of the Project along with QPR's.

This Circular shall have immediate effect.

(By orders of the Authority)

Sd/-
Secretary,
TG RERA

FORM-3

(See Regulation 5)

CHARTERED ACCOUNTANT'S CERTIFICATE (On Letter Head)

(To be submitted at the time of Registration of a project and subsequent withdrawal of money from Separate account of the Project)

To

The Promoter:

Project Name:

Project Registration Number:

Period: ___/___/20 to ___/___/20

Sub: Certificate of Financial progress of work of <project Name> having TG RERA
Registration number_____ being developed by <Promoter Name>.

Sir,

This certificate is being issued for RERA compliance for the <Project Name> having TG RERA Registration _____ being developed by <Promoter Name> and is based on the records and documents produced before me and explanations provided to me by the management of the company; based on the verification of books of accounts for the Quarter ended_____.

Table A- Estimated Cost of the Project (at the time of Registration of Project)
